<p><i>NB. These statements have been split for extra focus, but all will apply on an ongoing basis throughout the reception year.</i></p>						
Physical Development	<p>Move around a space safely. Develop the fundamental movement skills: rolling, crawling, walking, jumping, running, hopping, skipping, climbing. I am learning to skip, hop, stand on one leg and hold a pose for a game like musical statues</p>	<p>Develop the fundamental movement skills: rolling, crawling, walking, jumping, running, hopping, skipping, climbing.  Obstacle Courses</p>	<p>Develop the fundamental movement skills: rolling, crawling, walking, jumping, running, hopping, skipping, climbing.  Throw, catch and kick a ball.</p>	<p>Develop the fundamental movement skills: rolling, crawling, walking, jumping, running, hopping, skipping, climbing.  Introduce different sports e.g. badminton</p>	<p>Confidently and safely use a range of large and small apparatus indoors and outside, alone and in a group.</p>	<p>Combining previously taught skills in preparation for Sport's Day  Swimming – Water Safety</p>
<p>Develop the overall body strength, co-ordination, balance, and agility needed to engage successfully with future physical education sessions and other physical disciplines including dance, gymnastics, sport, and swimming. Develop their small motor skills so that they can use a range of tools competently, safely, and confidently. Suggested tools: pencils for drawing and writing, paintbrushes, scissors, knives, forks, and spoon. Use their core muscle strength to achieve a good posture when sitting at a table or sitting on the floor. Develop overall body-strength, balance, co-ordination, and agility</p>						
Literacy	<p>Join in with repeated refrains in songs and stories. Handle books with care. Talk about stories they like. Talk about the marks they make.</p>	<p>Join in with repeated refrains in songs and stories. Handle books with care. Talk about stories they like. Talk about the marks they make</p>	<p>Talk about key events in a song, poem, book. Use some shapes in their writing.</p>	<p>Talk about key events in a song, poem, book. Use some shapes in their writing.</p>	<p>Act out parts of a familiar story. Recognise familiar signs and labels. Write some letters from their name.</p>	<p>Retell a story using words from the text. Recognise familiar signs and labels. Write most letters from their name. Represent the initial sound in a word.</p>
Phonics	Phase 1	Phase 1	Phase 1	Phase 1	Phase 1	Phase 1
Mathematics	<p>Counting 'how many'? Comparing groups of objects Comparing objects e.g. tallest building etc Exploring simple repeating patterns</p>	<p>Consolidating work on patterns—copy and continue simple repeated patterns Exploring triangles Sorting objects in different ways Ordering objects by height or length. Introduce numerals 1 and 2</p>	<p>Comparing quantities Recognising when there is more/less or same Subitising with numbers to 3 Reciting numbers beyond 5 Consolidating numbers to 5 Counting objects/things that cannot be moved</p>	<p>Revising numerals 1, 2 and 3 and introducing numeral 4 Comparing amounts more/less and matching to numeral Revising shapes circle and triangle and introducing squares and rectangles Know what a 'side' on a shape is Know what a 'corner' on a shape is</p>	<p>Revising numerals 1-4 and introducing 5 Days of the week/sequencing events/spotting mistakes in sequences Capacity—ordering three containers by capacity Vocabulary linked to capacity</p>	<p>Positional Language Describing a familiar route Exploring 2D and 3D shapes—using them for a purpose Exploring mathematical problems Developing understanding of the conservation of number</p>
Understanding the World	<p>Exploring our senses through practical activities e.g. scented playdough, textured paint etc Who is in my family? And Where do I live? What can I do now that I couldn't do as a baby?</p>	<p>Learning about some different festivals and celebrations including: Diwali, Bonfire Night, Remembrance Day, Christmas</p>	<p>Space—Understanding that we live on a planet called Earth. Exploring different countries from around the world and exploring how they are different to Gibraltar. Harvesting vegetables from our school garden</p>	<p>Making food for a picnic Using senses to explore natural materials Exploring fruit in different forms and temperatures Matching pips/seeds to fruits</p>	<p>St. David's Day and Shrove Tuesday Ramadan Visitors with different professions &amp; visit to PRMC</p>	<p>Exploring climates and habitats e.g. under the sea, jungle, desert, polar regions etc What animals live in these different habitats?</p>

# St. Christopher's EYFS

## EYFS Long Term Overview – FS1

	Exploring different homes from around the world. Similarities and differences between the people in our group.	Learning about some of the different ways people celebrate e.g. music, food, decorations etc Noticing and talking about changes in the weather and seasons. Noticing and talking about changes in our environment. Visit to Supermarket and Cafe	Science—melting and freezing Recycling— including sorting materials Lunar New Year	Growing and harvesting vegetables and fruits Life cycle of a plant	Planting—visit to allotment/school garden Looking after living things—Rhino Beetle Talking about events from the past e.g. family holiday/weddings	How do people live in these different environments? Looking after our school garden Exploring Four Corners—What plants and creatures can we find?
Understand the effect of changing seasons on the natural world around them Describe what they see, hear, and feel whilst outside.						
<b>Expressive Arts and Design</b>	Dance—exploring different genres of music Singing familiar songs—Wind the bobbin up Self portraits—line drawings, paint Mixing colours Malleable—birthday cakes Role Play—Home corner Making musical instruments—visit from musicians Designing our dream home	Designing and making a spoon puppet Dance—learning actions to familiar songs, linking movements to music Singing—Learning songs for the Nativity Performance Role Play—Café/Party Christmas Crafts World Nursery Rhyme Week	Artist Focus—Kandinsky Making spoon puppets Making telescopes/binoculars/maps Planning out ideas before making them e.g. designing pizza Drawing Club—links to vehicles and aliens Collage—combining materials to create a collaborative piece of art work.	Design and make a pizza Large scale, vertical art with circles and horizontal lines Music appreciation—talking about whether I like or dislike it Exploring textures—fruit peels etc Woodworking—using tools and equipment safely Mud kitchen—making perfumes and paint with natural materials Artist— Giuseppe Arcimboldo	Role Play—Hospital/Doctor's Surgery Music—keeping in time to a beat, tapping out a rhythm Collaborative art project—Herve Tullet Design and make cupcakes Artist focus—Sir Frank Bowling Exploring different ways of applying paint	Junk modelling—designing different homes for different environments. Exploring letters through art e.g. graffiti Exploring the art of Frida Kahlo Exploring different architecture around Gibraltar and Spain Woodworking using tools to create models—joining materials together Planning designs for woodwork/junk modelling Joining in with the beat to different musical genres
Explore, use, and refine a variety of artistic effects to express their ideas and feelings Explore and engage in music making and dance, performing solo or in groups.
